

How to count from 101 to 200 in Spanish

Welcome to a new session of the Learning Spanish for Beginners Podcast.

In this session, we will learn how to count from 101 to 200 in Spanish.

Let's get started!

Numbers from 101 to 200 in Spanish:

Counting from 101 to 200 is easier than most people think. To construct the numbers in Spanish from 100 to 199, all you need to do is add the appendix “to” to the word “cien” to make it “ciento”.

Then, place another number from 1 to 99 next to that.

The number 200 is “doscientos”, and if you break it in half, it is “dos” “cientos,” which literally translates as “two” “hundreds”, and that makes it easy to remember.

Let’s review the numbers in Spanish from 100 to 200, starting with the numbers from 100 to 109:
